## Disclaimer and Signature

I understand that all of these animals are property of Smiley's Rescues and I do not get to make any medical or adoption decisions for them. I will not post about their medical care or updates on social media unless approved by Smiley's Rescues. I am allowed to post positive pictures.

We require all animals to remain indoors at all times (with the exclusion of dogs for bathroom and outdoor activities.)

Foster applicants: If you are no longer able to foster an animal we need a 48 hour notice. We provide all litter, food, medication, and supplements. You may not allow said animal to intentionally use/eat anything we haven't provided unless approved. If you do so, the animal will be removed from your home. If they become ill because of intentional neglect you are responsible for their vet care.

Foster and Volunteer applicants: We are not liable for any injury. Foster/Volunteer at your own risk.

Volunteer applicants: You may not be at the rescue unless the director of Smiley's Rescues is present.

By signing below I agree to hold Smiley's Rescues harmless in the event of bodily injury by an animal or otherwise. I agree to not hold Smiley's Rescues responsible for any injury that happens to myself or a family member while fostering and/or volunteering for Smiley's Rescues.
